THE VAST CONTAINER WARRANTY

Every Vast Container is backed by our container warranty.

We stand behind every box we sell and deliver. This warranty explains exactly what is covered, for how long, and how to reach us if something is not right.

ONE-TRIP CONTAINERS

Vast New

5-year structural warranty

5 YEARS

Structure

Frame, corner posts, corner castings and cross members, against defects in materials and workmanship under normal use.

1 YEAR

Doors, seals and hardware

Against defects in materials and workmanship.

AT DELIVERY

Wind and watertight

Arrives wind and watertight, with working doors and intact door gaskets.

USED CONTAINERS

Vast Certified Used

1-year wind-and-watertight warranty

1 YEAR

Wind and watertight

Roof, walls, floor and door gaskets keep wind and water out under normal conditions.

90 DAYS

Doors and hardware

Against functional defects.

BEFORE IT SHIPS

Inspected by our team

Every used unit is checked before delivery, and an inspection certificate is available on request.

WHAT IS NOT COVERED

Any modification not performed by Vast Container voids the warranty: cutting, welding, added doors, windows or vents, or other structural changes. Also not covered: cosmetic wear, surface rust, dents and scratches present at delivery or from normal use; damage from relocation after delivery, overloading, improper site preparation, accidents or acts of nature; and condensation inside the container, which is a normal characteristic of steel containers.

HOW TO MAKE A CLAIM

Call or email Vast Container with your order or invoice number and photos of the issue. We will review your claim promptly and, if covered, repair or remedy the issue at our cost. This warranty covers the original purchaser only and does not transfer to a later owner.

This warranty summary is for general information. Full terms are available from Vast Container on request.

BUILT TO LAST. DELIVERED NATIONWIDE.
